SIR,

I have the honor to acknowledge the receipt of your letter No.6118/San.96-15-2 dated the 19th February 1916 - asking me whether I cannot undertake a rough Debt Survey of certain typical localities in the Malnad as part of the work of this Department under paragraph 12 of G.O.No.8036-84/ Med.24-13-13 dated the 24th February 1914. I regret that this is not possible with the staff at my disposal.

2. The work which this Department has to do under the Government Order adverted to above, is of a general character and as I have stated in para 190 of my last Annual Report, I have studied the economic condition of the Malnad and started 85 Co-operative Societies there, with the assistance of the District Officers. What is now desired is a "Debt Survey" involving special work for which I have no staff to spare. The Malnad Improvement Committee propose to appoint two men for four months for this work. I commend the proposal for
